FREE EVENT: Featuring J.T. Nolan, multi-instrumental and vocal musical entertainer with over 30 years of performance experience.

This event is FREE and open to the public! It's a great opportunity for those age 50 and older to find out what the Center for Learning in Retirement (CLR) at Rock Valley College has to offer. There are many short-term educational and fun classes, bus trips, social events, a fitness program, special interest groups, volunteer opportunities, and much more!

By attending the Annual Meeting, you will be among the first to receive the Fall 2012 CLR Catalog and be able to register early for any of the 148 fall classes. Following the introduction of the 2012-2013 CLR Advisory Committee, you will hear about the exciting things planned for the fall semester and be treated to an entertaining musical program.

Professional musician and vocalist, J.T. Nolan, will perform songs from the 40's, 50's, and 60's, including Big Band swing, country, and Elvis favorites. J.T. is a multi-instrumental musical entertainer and will feature the saxophone, trumpet, flute, keyboard, and harmonica—a high-energy show you don't want to miss!
